

**PIERRE LASSONDE
ENTREPRENEUR CENTER**
THE UNIVERSITY OF UTAH

Educational Programs

Educational Programs

Preparing young entrepreneurs for
tomorrow's market

The Pierre Lassonde Entrepreneur Center provides and teaches real world business experience to help young entrepreneurs better prepare themselves to understand and assume the risks of business ownership and management. Through this educational process, we hope to inspire entrepreneurs to take their ideas to reality.

Tech Titans

Innovation and design competition

Opportunity Quest

Business plan competition for U of U Students

Utah Entrepreneur Challenge

Student business plan competition open to all college and university students in Utah

Lassonde New Venture Development Center

Commercialization of University technology using students from all disciplines.

The University Venture Fund

The largest University affiliate and student-run venture fund in the country.

"The programs at the entrepreneur center give students the opportunity to experience every stage of the business development process."
