

 THE UNIVERSITY OF UTAH™

Venture Bench

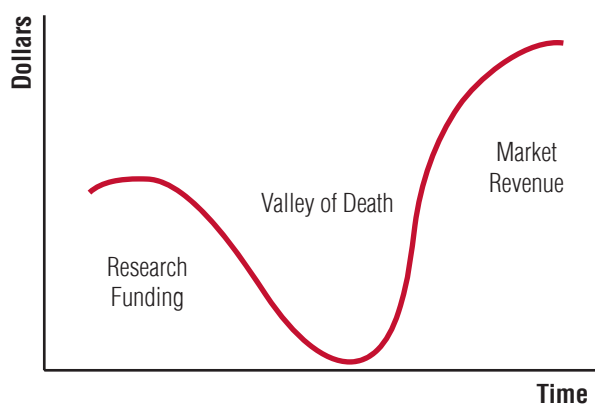

Venture Bench Overview

Venture Bench is a University of Utah accelerator that provides a suite of services for its technology based companies. The University of Utah has a long history of success in creating companies and recently was ranked 2nd in the country at creating new startups from its research-based inventions. The path to success can be long and challenging. Venture Bench provides new companies the support to shorten this time frame.

The Startup Company Dilemma

Supporting our companies with a variety of services helps them bridge the valley of death.
